The screenshot shows a user account page on 'WEBSITE SCRIPTS'. The user is logged in as 'John Smith'. The page displays a table of products owned by the user. The first product is 'KnowledgeBase Manager Pro' with a license type of '50 User Logins License', product key 'AA11-6B22-CC33-DD44', and current version 'S.1.0'. A 'Download' button is visible next to the product name. Below this, there is a section for special services, including an 'Installation' service for \$50.00.

Product	License Type	Product Key	Licensed To	Current Version	Download	Support & Maintenance	Subscriber
KnowledgeBase Manager Pro	50 User Logins License	AA11-6B22-CC33-DD44	n/a	S.1.0	Download	456 days left	Extend

Product	Name	Type	Price	Order now
KnowledgeBase Manager Pro	Installation	Service	\$ 50.00	Order now
